

The Law

The purpose of Title I is to enhance opportunities for students to meet and maintain grade level skills (TEKS—Texas Essential Knowledge Skills). The law requires:

- ◆ That school districts have a written policy regarding parental involvement
- ◆ That parents be involved in the design, operation and evaluation of Title I
- ◆ That parents be consulted about home/school activities and be trained to help their children
- ◆ That whenever possible, activities should be presented in the language spoken by the majority of Title I parents

As a parent you are part of the Title I team

I dreamed I stood in a studio
And watched two sculptors there.
The clay they used was a young child's
mind

And they fashioned it with care.

One was a teacher—the tools she used

Were book, and music, ad art

The other, a parent, with a guiding hand

And a gentle, loving heart.

Day after day, the teacher toiled with

touch

That was careful, deft and sure.

While the parent labored by his side

And polished and smoothed it o'er.

And when at last their work was done

They were proud of what they had

wrought

For the things they had molded into the

child

Could neither be sold or bought.

And each agreed they would have failed

if each had

worked
