## BUS POLICY

Riding on the bus is a privilege, not a right for students. All students are entitled to a safe environment on the bus. Students will abide by the same rules as during the regular school day.

**First Offense:** Students will be verbally warned one time for behavior issues.

**Second Offense:** Student bus privileges will be revoked for ONE DAY and a parent will be responsible for transportation of the child.

**Third Offense:** Student bus privileges will be revoked for THREE DAYS and a parent will be responsible for transportation of the child.

**Fourth Offense:** Student bus privileges will be revoked for FIVE DAYS and a parent will be responsible for transportation of the child.

**Fifth Offense:** Student bus privileges will be revoked for THE REMAINING SEMESTER and a parent will be responsible for transportation of the child.

Questions and concerns may be addressed to Hope Appel, Superintendent or Jeanne Flannagan, Principal at 806-827-7400.

I have received the Bus Policy.
